What is LBNA?

The Lind-Bohanon Neighborhood Association is a 501c3 nonprofit organization whose mission is revitalizing the neighborhood. We have committees made up of neighbors just like you that are interested in working to keep our neighborhood a safe, livable and thriving community.

We currently do that through our home improvement loan program, Camden Youth Engagement Project work, Community events, walking group, and school, park, and city planning efforts.

We are currently looking for help on several committees. Housing, Crime and Safety, Garden, Economic Development, Events, and others. Consider getting involved locally to make a difference!

For more information in how you can get involved, contact LBNA staff 763-561-1616, or contact us at lindbohanonna@aol.com or check out our website at lindbohanon.org.

Want to save money this winter? Consider an improvement loan that gives back to your community!

The Lind-Bohanon Neighborhood Association has partnered with the Center for Energy and Environment to administer the neighborhood's home improvement programs.
